Such visits to schools shall be unannounced. The dogs may be used to sniff vacant classrooms, vacant common areas, the areas around student lockers, and the areas around vehicles parked on school property. The dogs shall not be used with students. If a dog alerts to a locker, a vehicle or an item in a classroom, it may be searched by school officials. Searching of vehicles shall be conducted as described above.

### **Notice**

**CRANSTON PUBLIC SCHOOLS  
CRANSTON, RHODE ISLAND**

**Use of School Buildings by School and Non-School Based Organizations Policy**

Effective as of July 1, 2016

**POLICY STATEMENT:**

The Cranston School Committee believes that the public schools should be considered as community schools and is, therefore, committed to the concept of making Cranston School facilities available for use outside normal educational programs. While school facilities are owned by the public and paid for by tax dollars, the general public should not be considered as having an obligation to fund extra costs for private or for-profit groups' use of facilities. It is for this reason that the School Committee feels it reasonable to expect groups authorized to use facilities to pay all related personnel costs as well as minimal costs so incurred for said use of buildings and/or grounds. The Committee further recognizes, however, that there are certain instances wherein the cost for use of school facilities should be borne by the school district.

**Rules, Regulations, and General Information**

All authorized persons or organizations must comply with the following rules and regulations for use of school buildings.
